# Empire Scientific

## Guaranteed To Perform

Empire Scientific is a leading supplier of batteries, chargers, and accessories to retailers, wholesalers, distributors, and manufacturers in the cellular, video, and cordless telephone segments of the consumer electronics industry.

Sitler's Supplies can offer the most comprehensive and up to date product mix of inventory found under one roof. We also offer a full line of industrial grade Sealed Lead Acid batteries called Rhino.

EMPIRE SCIENTIFIC, with manufacturing headquarters in Deer Park, New York, has a proud forty year tradition in the consumer electronics industry. In its colorful past, Empire was known for producing high quality turntables, cartridges, and high fidelity loudspeakers, recognized by audiophiles for their outstanding performance.

Empire first offered batteries and accessories for camcorders in the early 1980's, and has since expanded to offer quality replacement batteries and accessories for cellular phones, cordless phones and replacement lead acid batteries for uninterruptible power supply (UPS) and security applications along with two-way, medical and laptop batteries.

### **KNOWLEDGEABLE STAFF**

Our courteous and helpful staff is equipped to provide answers to your questions regarding all of the product lines we offer. We at Sitler's Supplies know the importance of top of the line customer care and will do whatever is necessary to provide that to our customers.

### **NEW PRODUCTS**

Empire Scientific has just recently added replacement batteries for LMR (two-way) and Laptop. We offer a complete line of both product listings and will continue to add to keep up with the ever growing markets.

### **MISSION STATEMENT**

To provide top of the line customer care along with quality products at competitive pricing. To raise the bar of excellence we must pay attention to detail, if it's not right it's wrong and everything must have a sense of urgency. We believe and follow these guidelines to assure that our customers receive the most accurate information to help them succeed in the battery industry.
